

# AN URGENT NEED...

## The Syrian Refugee Crisis

**The Syrian refugee crisis has created a spiritual crisis for many. Dissatisfied with Islam, many refugees are seeking answers to life and death questions, and Arab Muslims are turning to Christ in unprecedented numbers. The EPC is joining with church partners in Lebanon, Turkey, and Germany, not only to help refugees with physical needs, but also to share the good news about how their greatest spiritual needs can be met through the Messiah.**

And let our people learn to devote themselves to good works, so as to help cases of urgent need, and not be unfruitful. Titus 3:14

### **Under the direction of the EPC World Outreach Committee, donated funds will be disbursed to:**

2. Purchase food, clothing, medical, and discipleship materials for distribution to refugees in Lebanon under the direction of World Outreach global workers (initial cost: \$50,000).
3. Send EPC disciple-makers who are fluent in the native languages of the refugees (Arabic, Kurdish, Farsi, Urdu, etc.) to spend two weeks to three months assisting evangelical refugee welcome centers in Europe (initial cost: \$20,000).
