Course Theme:

A Practical Guide to Start and Sustain a Successful College Ministry. Do you have college-age students in your church? Maybe you're not sure what they need or how to get something started - this is a perfect place to start. The book focuses on church-based ministry. It's a step-by-step guide to starting from day one, setting priorities based on the long-term needs of college-age people, and focusing on the day-to-day aspects of ministry.

Format:

Participants will read the book *College Ministry from Scratch*, by Chuck Bomar, in community with other leaders and respond to weekly discussion questions on the Facebook group page, [EPC College Ministry Book Study – College Ministry from Scratch](#), as led by Dan Weidman. We will read all of Section One (Chapters 1-6) and portions of Section Two (Chapters 7-18) as selected by participants, based on the ministry needs of those in the study.

Weekly Schedule:

Read the chapters prior to the dates listed below. Online discussion continues throughout the week, beginning on the date indicated below. *
